

Sr. Patricia Burkard welcomed all to St. Anthony's Motherhouse Chapel for the Feastday Celebration, which opened with the Gathering Song "Blessed Mother Marianne".

Msgr. Eugene Yennock presided over the Ceremony to transfer Mother's remains to the Reliquary. The Knights of Columbus carefully removed the zinc container that hold Mother's remains, and placed them on the pedestal stand where the Reliquary would be set. Sr. Patricia Burkard led a delegation to sign a document verifying the authenticity, and soil from Mother's grave in Hawaii was then sprinkled on the zinc container. Msgr. Yennock blessed the container with holy water (pictured). The Ceremony concluded when the Knights of Columbus carefully set the Reliquary, enclosing Mother's remains.
