PURCHASES

A way to give support is to make purchases that not only help with office support but spread the word of the Cause. We try to keep purchases within the price range of those buyers who may not have funds to pay more for an item. Some items currently are being looked into for our Pricelist and will be available as soon as we get a reasonable deal. Because places making religious articles usually like us to order at least thousands of anything at a time, we are most careful in this regard to invest wisely in a product that is both proper and appealing. It rarely happens that a Servant of God is proclaimed Venerable one year and is proclaimed Blessed the following year. Other causes had much time to prepare items of interest during the intervening years between honors. (Order blank follows)
